PROFILE

Van Deventer-Maas Indonesia is a non government social institution funded by a private foundation that has a mission to support the education of young talented Indonesian students. Support scholarship and capacity building programs for its beneficiary.

The foundation was established in 1947, pursuant to the last provision and the "will" of Mrs. Elizabeth Maas, the widow of Mr. Coen Van Deventer.

In 1979 Van Deventer-Maas Stichting merged with Tjandi Stichting (founded in 1913) and Van Deventer Stichting (founded in 1917), thereby absorbing the kartini foundation, which had been founded in 1913.

On September 12th, 2017 the representative office in Indonesia was formally established to be Yayasan Van Deventer-Maas Indonesia (YVDMI).

The Couple, Coen Van Deventer and Elizabeth Maas, have dedicated their wealth for the personal development of young Indonesians, mostly for those who came from underprivileged family.
